Arjelica Co. LTD believes in carefully and methodically thinking about every aspect of a project. Taking the time to think about the individual requirements and dynamics of each element of a project ensures that we can focus on surpassing the goals of our clients

## A LITTLE BIT ABOUT US

WORD FROM THE MD

### MANAGING DIRECTOR

ARBOGAST G. LESHABAR

Arjelica is one of the fastest growing companies in Tanzania. The origin of company started in the year 2010 by offering landscaping services and later in late 2014, we started producing and supplying different kind of concrete material like bricks, paving blocks, slabs, Becone, drainage cover, curbstone and concrete pillars.

Due to high quality service and undivided attention to our customer, we happen to receive many request from our clients requesting us to undertaking their entire project and from 2016 the company decided to extend its scope and respond to our clients need and demands, we started offering new domains like civil engineering, designing, reparing and constructing of bigger buildings.

# THE HISTORY

**Arjelica is owned and managed by a team of well experienced professional engineers dealing with all kinds of contracts for construction**

ARJELICA CO LTD was established in May 2010. Mr. Arbogast Leshabar is the Chief Executive of the organization has been working with the Arjelica Company since 2010. The Company has qualified managers who have experience from various places and with different projects both From Tanzania and from East Africa.

**ARJELICA IS REGISTERED WITH THE TANZANIA  
CONSTRUCTION BOARD, UNDER REGISTRATION # .**

**6344**

AJELICA CO. LTD has completed many projects such as housing colonies, A-class residences, Comercial buildings, Infrastructure works, Industrial buildings, and also renovation works. Since the inception of the company it has been attained and maintained ever rising standards of performance. ARJELICA CO. LTD engaged in construction, contracting & property development.

**2004-2007**  
**ZAM CONSTRUCTION CO. LTD( CELTEL PROJECT TANZANIA)**

The CEO of Arjelica worked with Zam construction on the construction of the Celtel Towers now known as Airtel Tanzania.

**2008-2009**  
**Huawei Technologies**

The CEO was working with HUAWEI TECHNOLOGY as the Site Acquisition Engineer team leader. and was appreciated to be the man of high integrity and a hard worker.

**2010-2013**  
**Construction of Residential Houses**

We began building residential homes for low and mid sized income earners, the projects which made us learn a lot about people and understand the designs and challenges that made us creative in delivering outstanding projects.

**2014-2015**  
**Construction of apartments**

We began building apartments and big buildings, the buildings that consisted of complex designs and engineering. Our team delivered the projects professionally and on time that awarded us with the upgrade of our services.

**2016**  
**Registration of the company to CRB**

Due to the advancement of the company and the delivery of the projects we expanded and we were officially registered by CRB as the registered Contractors Class 6. From there we have been working on big projects from Schools, Churches and commercial buildings.

**2017 - Date**  
**Upgrade of the services and firm Expansion**

We expanded our services to the production of building materials like bricks, pavements etc, purchasing of trucks and very modern construction equipments hence allowed us to upgrade to the higher class on CRB.

# GIVING BACK TO THE COMMUNITY

We Love Seeing the Needy Community growing up with us, Faraja Orphanage Center is among the communities that we learned about them and saw a need to share with them, with over 203 Children that are disadvantaged in one way or another getting a help from us was very blessing to them and us.

We believe in sharing and whatever we get is shared among the needy.

## ARJELICA Team joining hand in helping the Community and the needy.
